

Automation Components, Inc.

## Product Data

### A/10' TUBE

Pressure Tubing

## Product Description

ACI offers tubing to be used in conjunction with the A/LP and A/DP Pressure Sensors. It is available in 10 foot sections and fits over ACI's standard 1/4" barbed fittings. It is made from a high quality/medical grade-flexible polyvinyl chloride material.

This offering takes an extra purchasing step out of your pressure sensor installation.

The A/10' TUBE is covered by ACI's Five (5) Year Limited Warranty, which is located in the front of ACI'S SENSORS & TRANSMITTERS CATALOG or can be found on ACI's web site, which is: [www.workaci.com](http://www.workaci.com).

## Pressure Tubing

### Attributes:

- 10' sections
- Medical Grade

### Applications:

- Used with the ACI Pressure Sensors (A/LP & A/DP)
