EVO 7 Mechanical Hand Tool, Standard hand span 3.5", 1/pkg

Base Data

Local Order Number 110-70083

Type EVO7

Color Black (BK)

- Features and Benefits**
- Patent-pending Tension/Lock/Cut Technology (TLC) technology delivers a “true” flush cut for a safer installation with no protrusions to damage neighboring components.
 - The advanced operating system of the TLC technology provides operational reliability and durability resulting in fewer repairs and an extended lifespan; eases wear and tear on tool components.
 - Contoured soft trigger and air-cushion handle keeps the wrist in an upright, neutral position providing greater operator control; minimizes slippage.
 - Lightweight tool with the most technologically-advanced ergonomic design for reducing work-related risks such as fatigue and injury that effect productivity.
 - Available in two trigger spans, Standard 3.5” (90 mm) and Short 3.1 (80 mm), to accommodate different hand sizes for better operator command with less force and fatigue.
 - Operating function offers 33 precise pre-set, easy-to-read settings (with 1/4” increments) that reduce subjectivity or the need for fine tuning.
 - Tension lock-in mechanism eliminates operator ability to change tension setting for critical applications.
 - The greater tension range satisfies a variety of applications with just one tool.
 - Wide tapered tie entry allows for easy insertion of each tie for improving productivity and streamlining the process of moving from one tie to another quickly.
 - Revolutionary tool that can be used to fasten all variations of HellermannTyton’s 18 – 80 pound cable ties selected as suitable for any application or situation.

Recommended Cable Ties Can be used with all variations of HellermannTyton's 18-80 lb. cable ties.

Product Description HellermannTyton's EVO7 mechanical hand tool was ergonomically designed to reduce the risks of repetitive stress injuries to operators while concurrently increasing productivity. The EVO 7 Tension/Lock/Cut Technology delivers performance, safety and comfort for the operators. Available in a standard grip span (EVO 7) or short grip span (EVO 7SP), for smaller hands. Additional accessories are available.

Tension Setting Tools Adjustable

Short Description EVO 7 Mechanical Hand Tool, Standard hand span 3.5", 1/pkg

Product Dimensions

Cable Tie Width Max (imperial) 0.19 "

Cable Tie Width max. (metric) 4.8 mm

Logistics and Packaging

Quantity per EA

Package Quantity (imperial) 1

Weight (imperial) 9.7 oz

Weight (Metric) 275 g
