KR8PNSE Pneumatic Tool, 1/Each

Base Data

Local Order Number 121-00889

Type KR8PNSE

Color Metal (ML)

Features and Benefits

- KR8PNSE pneumatic tool tensions, cuts, and locks the pin in place with the push of one button.
- Designed specifically for the 8 mm wide Kabelrap ties to assure a permanent installation.

Air Pressure Bar (min.) 3

Recommended Cable Ties KR8 series

Product Description Specially developed for the processing of HellermannTyton KR series cable ties with a width of 8.0 mm. The KR8PNSE offers a simple and easy to use tool which is ideal for applications where the volumes are too great for manual tooling.
The KR8PNSE pulls the strap tight, closes the head and cuts of the excess tail - all with a single push of the button.

For Ties KR8

Tension Setting Tools Adjustable
