Features and Benefits

- Design provides quick and easy installation by hand without the need for tools.
- Multiple bundle diameters available for all different ranges of bundles.
- Clip allows 360 degrees of rotation to attach in any orientation.

Product Description HellermannTyton's simple to use fixing tie allows the attaching of wires or hoses to an existing harness. This allows 360 degree rotation, and the ability to be oriented in any direction in relation to the main harness. This is ideally suited for any application in which the wire or hose can move in relation to the fixing point.
