| Color                 | Black (BK)                                                                                                                                                                                                                                                                                                                                                 |
| Features and Benefits | <ul style="list-style-type: none"><li>• Weave construction adjusts to twisting and flexing without creating wrinkles or bends.</li><li>• Durable construction offers excellent abrasion and cut-through resistance as well as inertness to most chemicals and fungus.</li><li>• Expands to 150% of nominal diameter for fast, easy installation.</li></ul> |
| Product Description   | General purpose expandable braided sleeving provides flexible abrasion protection for wire bundles and hoses.                                                                                                                                                                                                                                              |
| Open Post Termination | No                                                                                                                                                                                                                                                                                                                                                         |
| Short Description     | Expandable Braided Sleeving, 0.13" Dia., Black, 1000.0 ft/Bulk Reel                                                                                                                                                                                                                                                                                        |

Product Dimensions

|                                |           |
|--------------------------------|-----------|
| Length L (imperial)            | 1000.0 ft |
| Length L (metric)              | 304.8 m   |
| Bundle Diameter min (imperial) | 0.094 "   |
| Bundle Diameter min (metric)   | 2.4 mm    |
| Bundle Diameter max (imperial) | 0.25 "    |
| Bundle Diameter max (metric)   | 6.4 mm    |
| Nominal Diameter (imperial)    | 0.13 "    |
| Nominal Diameter (metric)      | 3.2 mm    |

Logistics and Packaging
