Article Number: 380-03005

Heat Shrink Tubing, 3:1 Assorted Universal Kit, assorted dia., color & lengths, Polyolefin, Assorted Colors, 177 pcs/pkg

## Base Data

Local Order Number 380-03005

Type ShrinkKit 321 Universal Basic

Color Various (DIV)

- Features and Benefits**
- The universal kit contains 177 pieces of tubing in assorted colors, diameter sizes and lengths.
  - The 3 to 1 shrink ratio covers a wide range of components, sizes and shapes.
  - Material is self-extinguishing, for use in applications in which non- flammable materials are required (excludes clear).

**Product Description** Heat shrink kits are a convenient solution for "on-the-job" projects. This 3 to 1 shrink ratio tubing features a flexible, thin wall to cover a wide range of components, sizes and shapes. The polyolefin material has a higher operating temperature range than general-use heat shrink tubing. The universal kit contains an assortment of tubing in different diameter sizes, colors and lengths.

Printable (Yes/No) No

Shrink Ratio 3:1

**Short Description** Heat Shrink Tubing, 3:1 Assorted Universal Kit, assorted dia., color & lengths, Polyolefin, Assorted Colors, 177 pcs/pkg

With inner glue (Yes/No) ETIM No

## Product Dimensions

## Logistics and Packaging

Quantity per kit

Package Quantity 1

Weight (Metric) 0.16 kg

## Material and Specifications

**Material** Polyolefin, cross-linked (PO-X)

**Material Shortcut** PO-X

**Dielectric Strength (metric)** 20 kV/mm according to ASTM D 2671

**Elongation at break** 600%

**Flammability** self-extinguishing

**Shrink Temperature** +194 °F (+90 °C)

**Operating Temperature** -67 °F to +275 °F (-55 °C to +135 °C)

**ROHS Conformity** Yes

**Certification / Specification** SAE - AMS - DTL-23053/5 Class 1

**Tensile Strength (MPa)** 14 MPa
