Thermal Transfer Printer Case, Black, 1/pkg

✓ RoHS

Base Data

Local Order Number	556-00253
Type	TT130SMCCASE
Color	Black (BK)
Features and Benefits	• Compact, lightweight design saves space and is easy to transport. • Integrated cutter cuts continuous media to any length. • Designed to work with TagPrint® Pro label design software for ultimate label printing capabilities.
Product Description	Designed for high volume, industrial grade printing, HellermannTyton's TT130SMC thermal transfer printer is made of durable materials for long life in a variety of applications and environments. The compact, portable design makes it ideal for transporting to work sites. HellermannTyton thermal transfer printers work flawlessly with HellermannTyton TagPrint® Pro label printing software to create customized labels. An integrated cutter cuts continuous label media and an optional caddy holds larger label stock reels to allow higher capacity printing.
Short Description	Thermal Transfer Printer Case, Black, 1/pkg
