Thermal Transfer 2-Printer Kit with Cutter, 2 Black and White Ribbon, Tagprint Pro 3.0 Software, Caddy, Hard Shell Case, Black, 1/Pkg

Base Data

Local Order Number 556-00257

Type 2TT130SMCKIT

Color Black (BK)

Features and Benefits

- TT130SMC includes a cutter so that continuous media can be cut to length during the printing process to save time and enhance quality.
- Printer is small, lightweight and compact to save space and make it easy to transport.
- TT130SMC works with Tagprint Pro 3.0 for seamless operation and printing.

Product Description Designed for high volume, industrial grade printing, HellermannTyton's TT130SMC thermal transfer printer is made of durable materials for long life in a variety of applications and environments. The compact, portable design makes it ideal for transporting to work sites. HellermannTyton thermal transfer printers work flawlessly with HellermannTyton TagPrint® Pro label printing software to create customized labels. An integrated cutter cuts continuous label media and an optional caddy holds larger label stock reels to allow higher capacity printing.
