Product Description	For fiber patching requirements, HellermannTyton offers fiber optic jumpers in various lengths with a wide variety of connector configurations. HellermannTyton offers fiber jumpers in two types – standard and high performance. Our standard jumpers combine quality with value. They meet all ANSI/TIA/EIA fiber optic cable requirements while allowing installers to maximize project budgets. In addition to meeting industry standards, HellermannTyton high performance jumpers have additional features designed for high performance applications . Our high performance jumpers meet Trade Agreement Act (TAA) requirements, making them suitable for use in General Services Administration (GSA) government contract projects.
