Features and Benefits • Splice trays to assist with cable splicing.

Product Description For maximum organization, efficiency and utility, HellermannTyton offers splice sleeves and trays to assist in cable splicing applications. Fiber splice trays are available to accommodate 12 or 24 splices. Each tray provides space for mounting fiber splice protectors and excess fiber storage. Available in different shrink diameters, splice sleeves are constructed with a stainless steel inner tube and a polyolefin outer tube. Sleeves are heat bonded to ensure tubes maintain perfect alignment during shipping, handling and shrinking. Cable management spools organize cable slack.

Technical Description HellermannTyton enclosure accessories provide easy cable routing and protection inside the enclosure. Cable Management Spools, Splice Trays and Splice Sleeves are available in various sizes.
