Article Number: 855-49206

Pre-Polished Connector Precision Cleaver, 1/pkg

Base Data

Local Order Number PFCLEAVER

Type PFCLEAVER

Features and Benefits • Provides a precision cleave of the fiber to optimize fiber alignment to ensure a quality connection with low loss.

Product Description HellermannTyton offers a complete line of tools and accessories to assist with both factory and field terminated installations. In addition to bulkhead and reel cleaners, we offer complete termination kits that include all of the tools necessary for stripping and terminating fiber optic lines.

Technical Description HellermannTyton's new pre-polished, field installable fiber connectors provide exceptional performance and eliminate time consuming hand polishing on the job site. Using a unique factory installed wedge clip the fiber is precision aligned to insure a quality connection with low insertion loss. HellermannTyton offers a variety of installation tools to assist in your fiber preparation.
