Article Number: 855-49205

Pre-Polished Connector Termination Kit, 1/pkg

Base Data

Local Order Number	PFCTERMKIT
Type	PFCTERMKIT
Features and Benefits	• Provides all the necessary installation tools for fiber preparation of 250 micron or 900 micron fibers to be installed with the pre-polished fiber connectors.
Product Description	HellermannTyton offers a complete line of tools and accessories to assist with both factory and field terminated installations. In addition to bulkhead and reel cleaners, we offer complete termination kits that include all of the tools necessary for stripping and terminating fiber optic lines.
Technical Description	HellermannTyton's new pre-polished, field installable fiber connectors provide exceptional performance and eliminate time consuming hand polishing on the job site. Using a unique factory installed wedge clip the fiber is precision aligned to insure a quality connection with low insertion loss. HellermannTyton offers a variety of installation tools to assist in your fiber preparation.
Short Description	Pre-Polished Connector Termination Kit, 1/pkg
