| Color                 | Green (GN)                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Features and Benefits | <ul style="list-style-type: none"><li>• 110 Block Labels are sheet fed for easy loading and fast printing.</li><li>• 110 Block Labels come with removable pin-feed margins, allowing them to be printed in any dot matrix, laser or ink jet printer.</li><li>• 110 Block Labels are printable using toner for long term UV exposure.</li><li>• 110 Block labels are available in multiple colors for use in easily identifying data center infrastructure.</li></ul> |
| Product Description   | 110 Block labels are made of non-adhesive card stock that is pre-perforated along each marker. An optional dot matrix pin feed margin can be removed if printing in a laser or ink jet printer. Various colors of stock can be purchased to identify route diversity.                                                                                                                                                                                                |
| Short Description     | Laser Tag Label, 7.9" X .475", 15 Per Page, Green, 1000/pkg                                                                                                                                                                                                                                                                                                                                                                                                          |

Product Dimensions

|                     |           |
|---------------------|-----------|
| Length L (imperial) | 0.475 "   |
| Length L (metric)   | 12.06 mm  |
| Width W (imperial)  | 7.9 "     |
| Width W (metric)    | 200.66 mm |
| Height H (imperial) | 0.475 "   |
| Height H (metric)   | 12.06 mm  |
| Print Method        | Laser     |

Logistics and Packaging

|                   |      |
|-------------------|------|
| Quantity per      | pack |
| Package Quantity  | 1000 |
| Carton Quantity   | 1    |
| Labels per Column | 15   |
| Labels per Row    | 1    |
| Labels per Sheet  | 15   |

Material and Specifications

|                       |                                       |
|-----------------------|---------------------------------------|
| Material              | Paper (PAP)                           |
| Material Shortcut     | PAP                                   |
| Operating Temperature | -67 °F to +428 °F (-55 °C to +220 °C) |
| ROHS Conformity       | Yes                                   |
