Value Added Services

- **Personal Account Manager**
 - Finding solutions to your applications and inventory needs
 - Offering unbiased component consultation
 - Broad product line knowledge and experience
- **Customized Stocking Programs Available**
 - **Blanket Orders** with predetermined release schedules offer flexibility to accommodate demand fluctuations
 - **Blanket Order / Hold for Release** with sufficient stock maintained with product shipped on demand
- JIT Deliveries
- Barcoding
- Quality Control
- EDI
- Custom Labeling
- Custom Packaging
- Same Day Shipping
- Flexible Delivery Methods
- Custom Cable Assembly
- Custom Components Assembly
- Custom Component Modification
- Pad Printing
- Tooling
